

POY – PARTIALLY ORIENTED YARN

- ◉ **Starlight®** is the polyester by Noyfil SA, a company belonging to the Fibres area of RadiciGroup.
- ◉ **POY** yarns are produced for all **specifications** in the texturing, taslan, drawing, draw-warping and twisting processes.
- ◉ Noyfil offers a custom-taylored **sampling** system and it is specialised in the production of **solution-dyed** or **additivated** yarns.
- ◉ The company has developed its own **matching colour system** for POY yarns and it can boast a long-standing experience in the production of fibres with different **sections** such as hollow fibres, bi-tri and multilobal sections applied to all the main types of **polyester**, both standard and modified.
- ◉ The minimum production quantity for **Starlight® POY yarn** is **200 Kg**.

Noyfil SA - Solution Dyeing Technology

- ◉ Dyestuff and additive embedded within the fibre.
- ◉ Maximum colour fastness (colour fastness chart specifications available).
- ◉ Colour reproducibility guaranteed.
- ◉ Reduced consumption of water and energy compared to traditional dyeing systems.
- ◉ OEKOTEX Std 100 certification Class 1 available upon request.
