

## Terms and Conditions for the Use of the *dorix*® Trademark

Dear Customer,

**dorix GmbH**, which has been part of RadiciGroup since February 2011, has decided to implement a new marketing strategy for the use of its *dorix*® Trademark, in accordance with the corporate policy, in order to increase its value and safeguard its market image.

The *dorix*® Trademark, today a synonymous of quality and tradition, was officially registered in 2010 for legally permitted uses within the European Union. Therefore this trademark cannot be freely used, except with the prior consent of the owner **dorix GmbH**.

The aim of **dorix GmbH** is to set forth terms and conditions for the use of own Trademark and make its use authorization transparent.

We kindly ask each eligible company interested in using the *dorix*® Trademark to make a specific request by filling in the application form and thereby accept and apply the provisions of the official regulation “*Terms and Conditions for the Use of the dorix® Trademark*”.

**dorix GmbH**, at its sole and final discretion, reserves the right to grant or not the authorization for the use of the Trademark, in accordance with its objectives and in line with the new policy for Trademark use.

The Marketing Department will be glad to assist you and provide further information.
